These are the prices for my webhosting packages: 25MB ONLY \$30 yr

50MB ONLY \$42 yr

100MB ONLY \$54 yr

500MB ONLY \$99 yr

1,000MB ONLY \$119 yr

2,000MB ONLY \$149 yr If you do not know how much space you need or if you have any questions about the

webhosting packages, please email me. If you want to pay for your webhosting with a check or money order, please send to:

Diana Hatch ~ PO Box 363 ~ Centerburg, OH 43011 To purchase the webhosting through PayPal, please send to sales@wolfdencreations.com

or email me and I can send an invoice through PayPal. ADDITIONAL ITEMS THAT MAY BE NEEDED WITH THE WEBHOSTING Secure Webhosting/Dedicated IP: This is an additional \$2.00 a month (\$24.00 a year). A Dedicated IP is a specific number given to your web site. Most web sites have a Shared IP number. A Dedicated IP is needed if you will need to purchase a SSL Certificate. I recommend www.instantssl.com for purchasing SSL Certificates. Purchasing a SSL Certificate is an additional cost to what is below. A SSL Certificate is needed if you will need a shopping cart that processes payments for a credit card merchant. I recommend www.authorize.net for merchant accounts, but you will need to know what merchant gateway will work with the shopping cart you intend to use. SSL Certificate Installation: Cost for installing a SSL Certificate is \$20.00, each time it is renewed and installed. Purchasing a SSL Certificate is an additional cost to what is below. Additional Bandwidth : \$5.00 a year for each 1000MB. Email me to have this added. All the details and features are listed below for the webhosting packages. Package
